

YOUR OPTIONS FOR

Sales tax reporting

PREMIUM PACKAGE

This is the best option for businesses that need comprehensive sales tax support, have more complex returns, want to integrate their system with online tax management tools, and seek advice and planning assistance throughout the year.

FULL PACKAGE

This is our most popular option because it includes sales tax return e-filing, sale tax audit support, advice and updates throughout the year, and reminders of tax payments due. This is the best option for complete peace of mind on sales tax care.

ESSENTIAL PACKAGE

This option is ideal for businesses on a tight budget who need their sales tax returns filed accurately and efficiently, and have simple sales tax matters throughout the year.
